

INSTITUTE OF DENDROLOGY

POLISH ACADEMY OF SCIENCES

Parkowa 5, 62-035 Kórnik, Poland e-mail: idkornik@man.poznan.pl
phone: +48 (61) 817 00 33, fax +48 (61) 817 01 66 www.idpan.poznan.pl

**Director of the Institute of Dendrology, Polish Academy of Sciences,
invites applications for the position of ENGINEERING EMPLOYEE
at the Laboratory of Molecular Biology**

I. REQUIREMENTS:

1. Master of Science degree in the field of biological sciences, forestry or closely related disciplines;
2. Experience in the field and laboratory research in the field of molecular biology techniques;
3. Knowledge in the field of biology and ecology of woody plants and forest ecosystems ecology, consistent with the research carried out at the Laboratory of Molecular Biology;
4. Proficiency in English (speaking and writing);
5. Scientific achievements including publications published in international journals and conference presentations during national and international conferences;
6. Readiness to participate in scientific expeditions and training (in Poland and abroad).

II. POSSIBILITIES:

1. Possibility to cooperate with research centres in Poland and abroad;
2. Possibility of implementation of one's own ideas and research concepts.

III. MAIN DUTIES OF THE EMPLOYEE:

The employee will be responsible for analyzing the isolation of nucleic acids (DNA/RNA) and proteins, performing standard PCR and real-time PCR reactions, and operating an automatic sequencer.

IV. LIST OF REQUIRED DOCUMENTS:

1. Application for employment, addressed to the Director of the Institute of Dendrology, Polish Academy of Sciences;
2. Personal data questionnaire valid at the Institute, with a photograph;
3. A copy of MSc diploma or its confirmed copy;
4. Certificates of employment from previous employers (if the candidate was not earlier employed at the Institute of Dendrology, Polish Academy of Sciences);

5. Description of previous scientific, teaching, and organizational activity of the applicant, with documentation confirming his/her achievements.

V. The documents should be submitted **exclusively via e-mail** until **20th November 2020** to the Department of Scientific Information of the Institute of Dendrology, Polish Academy of Sciences (Magdalena Łukowiak, lukowiak@man.poznan.pl) with a note: application for the position of an engineering employee at the Laboratory of Molecular Biology.

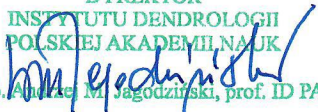

VI. The final decision will be published until **30th November 2020**.

VII. The Institute of Dendrology, Polish Academy of Sciences, does not provide any flat for the candidate.

VIII. Information on research subjects and ongoing research projects at the Laboratory of Molecular Biology can be found at <http://www.idpan.poznan.pl/laboratories/168-laboratory-of-molecular-biology>.

Head of the Laboratory of Molecular Biology: Prof. Andrzej Lewandowski,
alew@man.poznan.pl, phone: +48 61 8170 033

Kórnik, 19th October 2020

DYREKTOR
INSTYTUTU DENDROLOGII
POLSKIEJ AKADEMII NAUK

dr hab. Andrzej M. Jagodziński, prof. ID PAN

Job applicants who are interested in starting to work at the Institute of Dendrology, Polish Academy of Sciences, Kórnik, are asked to submit also the following statement:

"I hereby declare that I agree to processing of my personal data during the process of recruitment for the position of, conducted by the Institute of Dendrology, Polish Academy of Sciences, Kórnik (62-035, ul. Parkowa 5) aimed at concluding a contract of employment."

In compliance with article 13 of the General Data Protection Regulation (EU) 2016/679 of 27 April 2016, on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing the Directive 95/46/EC (general directive on data protection), hereafter referred to also as "GDPR", the Institute of Dendrology, Polish Academy of Sciences, informs that:

The personal data included in the job application (and the documents attached to it) will be administered by the Institute of Dendrology, Polish Academy of Sciences, address: 62-035 Kórnik, Parkowa 5 (hereafter referred to also as "Administrator").

The Administrator can be contacted via an e-mail message sent to lukowiak@man.poznan.pl or a letter sent to the address: Institute of Dendrology, Polish Academy of Sciences, 62-035 Kórnik, Parkowa 5, marked as "Dane osobowe" (= "Personal data").

Your personal data will be processed by the Administrator to conduct the process of recruitment for the position indicated in the recruitment announcement.

The legal basis for personal data processing is the consent (article 6, paragraph 1(a) of GDPR). At any time you have a right to withdraw consent, with no effect on the compliance with the right to process, which was implemented on the basis of the consent before its withdrawal. If the consent is withdrawn, the data covered by the consent, processed on its basis, will be removed immediately.

The consent can be withdrawn via an e-mail message sent to lukowiak@man.poznan.pl or a letter sent to the address: Institute of Dendrology, Polish Academy of Sciences, 62-035 Kórnik, Parkowa 5, marked as "Dane osobowe" (= "Personal data").

The personal data will be processed until the end of the recruitment process and will be removed within 3 months after the end of the recruitment.

The predicted categories of recipients of the data are: providers of job announcement publication services, providers of systems for recruitment management, providers of IT services, such as providers of information systems.

Providing of personal information is voluntary but necessary for participation in the recruitment process.

You have a right to ask the Administrator for access to your personal data, including also asking for their copy, a right to correct them, remove or limit their processing, and a right to move the data (for processing of which a consent was given). You also have a right to lodge a complaint with the supervisory authorities (President of the Personal Data Protection Office in Poland, i.e. Urząd Ochrony Danych Osobowych).

A handwritten signature in blue ink, appearing to read 'M. Podolski'.
