

OBLIGATORY SEMINARS AT THE INSTITUTE OF DENDROLOGY POLISH ACADEMY OF SCIENCES – POZNAŃ DOCTORAL SCHOOL OF THE INSTITUTES OF THE POLISH ACADEMY OF SCIENCES

Coordinator: prof. Ewelina Ratajczak: eratajcz@man.poznan.pl

Time: 30-45 minutes

19/05/2021 start time: 9:00 a.m.

**Prof. Andrzej M. Jagodziński
Forest ecosystems as carbon reservoirs**

20/05/2021 start time 9:00 a.m.

**PhD. Błażej Wójkiewicz
The population genetics of forest trees**

21/05/2021 start time 9:00 a.m.

Prof. Witold Wachowiak

Genetic consequences of hybridization in woody plants

26/05/2021 start time 9:00 a.m.

**Prof. Paweł Chmielarz
Propagation of forest tree species and preservation of their genetic resources in controlled conditions**

27/05/2021 start time 9:00 a.m.

**Prof. Ewelina Ratajczak
Respiratory metabolism during seeds storage**

28/05/2021 start time 9:00 a.m.

**PhD. Anna Napierała- Filipiak
Elm – a little-known tree**
